## For Immediate Release

Good morning, today is Friday March 20th 2020.

The state of CA has ordered a pause to all on-site business operations within California in an attempt to combat the spread of the COVID-19 virus.

OM cares about our people, our families and we will be complying with an immediate pause to our **production** and **shipping** operations. Our **Admin & Customer Service** teams will continue to operate, enter orders, and plan our business, albeit from hOMe.

Our immediate focus is to help our workers and families file for the proper state assistance so that they can receive critical assistance during this unknown length of time. Immediately after we have seen to the health and wellbeing of our in-building OM family, we will turn our attention to how we can continue to address the important questions, orders, and needs of our extended OM Family—the dealers, end users, vendors, factory reps and others whom we so appreciate and value.

**OM Seating is strong;** not the least of which is because we care about our people, our families and each other. We will pull even closer together and emerge stronger than ever, collectively... as a company, as a nation, as a family.

Be Strong, Have Faith in each other, your family and in OM. We will get through this ALL, TOGETHER.

With faith and sincerity and an optimism in the Power of Us,

Wilson

President, OM Seating | Together, We Will.
