BIFMA
COMPLYANT

Conference rooms are for “voluntelling”. Desks? For nose-to-the-grind-stone working. So, in the dotted line between those spaces, where can your creativity take flight? Where are those serendipitous ideas – *those favorable plot twists* – to be written?

Additional Plot Twist™ Styles:

Glide Base with
Self-retracting
Pull Handle

Caster Base
with Round
Tablet

Caster Base with
Backrest and
Rectangular Tablet

Caster Base with
Backrest

- 3 primary configurations – upholstered swivel seat (i.e., pouf form); upholstered swivel seat with backrest; either form... but with an attached, ambidextrous tablet
- Attached tablet smoothly height-adjusts 10 inches from sitting to standing/presentation mode
- Glide base for stability or multi-surface caster base for mobility
- Glide base & tablet support post available in 2 finishes: Palladium Gray or Graphite
- Round/Rectangular tablet offered in FENIX® Blanco Alaska and Grigio Bromo laminate, or in solid bamboo wood
- Upholstered glide base equipped with self-retracting nautical rope pull-handle
- Designed by Chris and Jon Panichella of Achella Design

CE2

CE2

CE2 with Pillow Top

CE2

Classic styling that is perfectly suited for conference rooms as well as executive offices with an elegant, tailored aesthetic and complementary options.

- Elegantly appointed executive chair available with a comfy pillowtop option
- Simple to use, Body-weight Activated Mechanism
- Polished aluminum accents with optional headrest
- Available upholstery ranges from anything in the OM Seating Leathers Program to four elegant, OM in-stock selections
- Four different arm options – from simple height adjustable T-arms to various fully adjustable, polished aluminum executive arms
- Designed by OM Design Group
