(seat and back): Carnegie Revolve - 6372 2, **Base Package:** White Powdercoated

Ever get antsy in long meetings? Never fear, OM5 Active is here to support you—with an articulating back and seat, these Active Taskers will help you break through on issues and in meetings alike!

Subtlety Matters

No matter what form of Active you choose, you'll get a little extra motion that is the difference between fidget and productive!

Sled-base Stacker

Stackable, versatile, comfortable from different heights. Available in 18", 24" and 30" seat heights.

Better Together

On-board ganging arms clip easily together to keep meetings neat. Standard on sled-base, 4-leg, nest and cafe styles.

Stack or Nest

Not only are OM5 Active Nest chairs able to nest, they are also designed to stack 3 at a time and self-dolly.

4-leg Guest

Functional choices for practical uses. Many options to actively help you work!

Multi-Tasker

Simple chair for light tasking needs. Lean back and relax, work comfortably as you fly through that to-do list.

Nest Efficiently

It matters when you've got a lot of them! Enjoy an above-average nest efficiency of 6.5" from one chair to the nest... er, next.
